Confidential -- For Settlement Purposes Only

Sarah -- I attach CDE's response to your request for updated financial information (which includes on a confidential basis copies of CDE's 2009 audited financial statement and federal tax return).

In thinking further about our recent settlement conversation, it seems clear to me that any settlement to be viable will need directly or indirectly to address the Ex 7(a) - Int w Enf. (and other sites). It would be helpful if you could reach out to the Ex 7(a) - Int w Enf. team at EPA in advance of our December 9th meeting to get their views on whether we could turn that site into any settlement. Thanks.

If you have any questions about this email or attachment, please don't hesitate to call Jon Ettinger or me.

Best regards,
Robby Sanoff
